QUESTION

ANSWER

I shall be glad if you will ascertain from the Owners and let me know what arrangements they propose making to carry out the Boiler Survey which became due at the end of May last.

I shall also be glad if you will let me know their intentions with regard to this vessel being examined in drydock, as it would appear from the records in this Office that she has not been seen in drydock by the Society's Surveyors since May, 1954.
