"TRIGLAV" 78. Classed A1, For Service in the Adriatic, with notations of Lloyd's A & CP, S.S.2nd No.3-5,27 and LMC 5,27.

It is concluded that shell plates F/ 1, 2, 3, on the starboard side have been renewed, and that the pillaring throughout is to your satisfaction, but I shall be glad to learn whether this is so.

I have to add that the portion of the New Register Book in which particulars of this vessel appear will be going to press on Friday June 10th, and as it might be the wish of the Owners to expedite the payment of the fees with a view to the full classification being inserted in the new book, I would suggest that you approach them on the subject.

Should the fees be paid by the date mentioned the fact should be telegraphed immediately to this Office.
