Secretary.

28th December, 1928.

Dear Mr. Forster,

I am favoured with your letter of the 22nd instant, and note what you say regarding the issue of preliminary or interim certificates, and I have to state that your action in issuing a clean certificate in the case of the Cosulich Motor Liner "VULCANIA" is approved.

In all the circumstances it is considered desirable to abandon the proposal contained in my letter of the 6th instant, and I have to request that you will be guided accordingly.

Yours faithfully,

H.C. Forster, Esq.,

TRIESTE.
