Dear Sirs,

I duly received your letter of the 4th instant forwarding a copy of a report of survey held at Mozambique on the Motorship "NIASSA" which has enabled the Committee to assign to this ship the class of #100A1 "For Ferry and Towing services between Mozambique and Lumbo".

As regards the account sent you by Lloyd's Sub-Agents at Mozambique, I shall be glad if you will return it to them, as it is, of course, payable by the Owners or their local Agents. I do not anticipate they will have any difficulty in obtaining settlement from this source, but if they do, we shall be pleased to help them.

Perhaps at the same time, you will thank them for their services, and for the report, which is much appreciated.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,  
DURBAN.
