Dear Sir,

In reply to your letter Classn. (C.H) of 29th ultimo in respect of the Motorship "NIASSA", I have to advise you that a report on the survey held at Mocambique has just been received, and is enclosed herewith.

Lloyd's Sub-Agents at Mocambique, Messrs. Joao Ferreira Dos Santos, who appointed the Surveyors have rendered an account for Escudos 4,550 00 to Lloyd's Register of Shipping, Durban.

This is somewhat irregular and before taking up the matter with them I considered it advisable to inform you as I note in your letter Classn. (S) of 20th June, 1952, you state that instructions would be forwarded direct to Lloyd's Agents for the guidance of the Surveyor appointed by them and am unaware whether you instructed Lloyd's Agents to render their account to this office or not.

On their bill Lloyd's Agents refer to a letter dated 14th March, 1953, but there is no letter of that date on our files, although there is one of the 13th March, 1953.

In the meantime, I shall take no further action in connection with this account until I receive a reply from you.

A copy of Messrs. Joao Ferreira Dos Santos' account is enclosed herewith.

Yours faithfully,

T. H. Noel
