

27th May, 1949.

Dear Sirs,

I am in receipt of your memorandum of the 20th instant intimating that the steamer "TRIDENTE" is still laid up and I have to inform you that, in the circumstances, the Committee are agreeable to the vessel's Class remaining undisturbed on the understanding that the Boiler Survey is carried out before she is again placed in commission. I shall be glad if you will inform the Owners accordingly.

Yours faithfully,

Clerk to the  
Classification Committee.

The Surveyors,

GENOA.
