QUESTION.

ANSWER.

Date:— 29th July, 1952.

With reference to the Boiler Survey which became due at the end of January last, I have to inform you that in May the Owners wrote from Grimsby that this vessel was laid up indefinitely and the outstanding survey would be held before the vessel is again put into service. In the circumstances, I shall be glad if you will ascertain and let me know whether the vessel remains laid up.

L.H.

On enquiring, we are informed by the Owners' Representative that the above vessel is still laid up.
