

# Lloyd's Register of Shipping,

49, Queen Square,

Bristol, I, 31st March, 1952.

Dear Mr. Sladden,

Reference

I wrote to the Owners of the steamer "SANDHOLM" No. 25617 in the Register Book on receipt of your letter of the 21st instant but so far have had no reply. If I do not hear from them during this week, I will try and see them personally.

Councillor K. L. Brown, who looks after the vessels is somewhat occupied<sup>in</sup> civic politics and it is not always easy to contact him at his office, but the matter will be pursued and something definite obtained as soon as possible.

Yours sincerely,

*High Pritchard*
