Dear Sirs,

The class of the vessels on the attached list have over the past few years, due to lack of information, been qualified with the notation: "Surveys Overdue - Class Suspended".

It is possible that you may now be able to obtain the requisite information and, in the circumstances, I shall be glad if you will get in touch with the Owners and endeavour to ascertain whether it is their intention to have the vessels class reinstated with the Society and, if so, what arrangements are proposed to be made for the overdue surveys in each case to be carried out.

Yours faithfully,

[Signature] Classification Manager.

The Surveyors,
SURABAJA.
