Lloyd's Register of Shipping

Port SAN FRANCISCOOCTOBER 2, 1946**This is to Certify** *that I have*

Surveyed the Boiler and Machinery of the T.S.S. "MONTEREY",
18,017 tons gross of San Francisco, whilst in dry dock at
San Francisco,

and that I have transmitted to the Committee of Lloyd's
Register of Shipping, London, a Report stating that all
recommendations made by me in connection therewith have
been carried out to my satisfaction, and that I have

Recommended *that the record of B.S. 9-46*

be made in the Register Book in the case of this vessel, when
the boiler survey has been completed. To complete the boiler
survey the mountings of all boilers remain to be examined, the
boilers examined under steam, the safety valves adjusted and
the oil fuel burning arrangements tried under working conditions.

(Signed) E. MARLBOROUGH

Engineer Surveyor to Lloyd's Register.

This Certificate is issued upon the terms of the Rules and Regulations of the Society, which provide that:—
"While the Committees of the Society use their best endeavours to ensure that the functions of the Society are properly executed, it is to be understood that neither the Society nor any Member of any of its Committees is under any circumstances whatever to be held responsible for any inaccuracy in any report or certificate issued by the Society or its Surveyors, or in any entry in the Register Book or other publication of the Society, or for any error of judgment, default or negligence of any of its Committees or any Member thereof, or the Surveyors, or other Officers or Agents of the Society."
