~~Karepo, Kaimiro~~

We duly received your letter of the 21st. inst. in connexion with the Steamer "KAREPO" and have to state in reply thereto that as previously reported the vessel forms one of the following all laid up and for sale.

ⓧ Karepo	Auckland
Kiwitea	Wellington
Kaimiro	"
Totara	"
Waipahi	"
Kartigi	"

The Owners have stated none of these vessels will be re-commissioned without any overdue surveys either being dealt with at the Ports where they are laid up or some other arrangements arrived at in which you concur.

We can only add so far as the vessels lying at Wellington are concerned, it will be difficult indeed if any change in the situation takes place without our full knowledge.

We believe the Owners will keep us obliged of any changes in the situation when naturally you will be informed.
