22nd October, 1924.

Dear Sir,

I have to inform you that the S.S. "MARGARET BIRCH", Yard No.158 built by Messrs. Warrens New Holland Shipyard Ltd., has proceeded to Great Yarmouth where the machinery will be installed.

To complete the survey for classification the engine and boiler casings require to be riveted up and made watertight.

I shall therefore be glad if you will be good enough to give the case the necessary attention, and on completion of the work to your satisfaction, to forward a report on Form No.8 with a view to the classification of the vessel.

I am, Dear Sir,

Yours faithfully,

Secretary.

Mr. A. E. Farminer,  
IPSWICH.
