Received from Chief Ship Surveyor

VESSEL'S NAME

S. S. Margaret Birch Rpt. Hul. No. 35574.

The remarks of the Chief Ship Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Nature of Survey

1st Entry.

It is submitted the Ipswich Surveyor be informed that this vessel has left Hull for Great Yarmouth where the machinery will be installed.

To complete the survey on the hull the engine & boiler casings require to be riveted up and made watertight.

On completion of the survey a Report on Form 8 should be forwarded to this Office.

The 1st Entry Report should be returned to the Hull Surveyors and they should be requested to fill in the dates of survey in the usual manner & also to forward the forging report on the Stern frame.
