GALVESTON, TEXAS

July 20, 1949

Mr. Charles Macpherson

NEW YORK

Dear Mr. Macpherson:

M/V TUCUPITA
Direct Bilge Suction

In reply to your letter of the 14th instant, I have marked in red direct bilge suction to pumps on the bilge and ballast piping arrangement drawing as directed by you.

A copy of this drawing has been sent to Mr. Fred Bucklin of Port Arthur, Texas, Marine Superintendent for The Texas Company in the Gulf Area. He will arrange to have this alteration made at the earliest opportunity under the guidance of a Lloyd's surveyor.

Yours very truly,

/s/ JAMES FINDLAY
Surveyor to Lloyd's Register
