"JOBURE"
"TUCUPITA"

ANSD.....

Copied
I am in receipt of your letter of the 18th instant regarding the fitting of direct bilge suction in the machinery space as required by the Rules in the above mentioned cases.

Mr. Malcolmson, of the Texas Company, informs me that these matters will be dealt with at the next drydocking which will probably take place this summer.

Copied
With regard to your inquiry respecting the TUCUPITA, the donkey boiler, made in 1910, was fitted while the vessel was under conversion at Galveston *Feb 1947* in June/November 1947.

Yours faithfully,

8
