

s.s. "KOPERNIK"
Gydnia Rpt. No. 3285

The plans of the electrical installation have been examined in conjunction with the report.

Some discrepancies exist between the arrangements as shown and as reported, but the installation in either case is in order.

It is concluded, but the Surveyors might be requested to confirm, that the installation is in accordance with the report.

3rd October, 1950.

Mr. Knowles.
