Genoa, 20th April, 1957.

Dear Sir,

T/T "MIRAFLORES"

I enclose herewith a letter received from the Genoa Agent of the above Tanker, together with a free translation from which it will be noted that the Owners have decided to withdraw the vessel's class from the Society's Register Book.

As this is a relatively new ship, I contacted the Owners' Agent, Carlo Cameli, with a view to ascertaining if possible the Owners' reasons for withdrawing the class but, other than informing me that he was instructed by the Owners to inform us of their decision, could give no other information.

Apparently the Owners, Miraflores Compania Naviera Panamena, are composed of Italian, Swiss and American Interests and as such I have been unable to make contact with any specific representative of the Owners other than their Agent at Genoa.

Yours faithfully,

Encls.-

The Secretary,
London.
