QUESTION

ANSWER

It is noted that this vessel has not been seen in drydock since July, 1962, and I shall be glad to learn if you are in a position to let me know what arrangements are proposed to be made for a further inspection to be held.

We have, so far, been unable to obtain any definite information from the Owners regarding the drydocking of this vessel. It is understood that she may be withdrawn from class but the Owners' Representative has promised to let us know when a decision has been made, or alternatively, what arrangements will be made for the necessary examination in drydock.
