Dear Sirs,

Steamer "MINTRIC"

Further to my letter of the 18th instant, the Society's Surveyors at Rotterdam have written to say that although they have been informed that this ship was in drydock on the 24th October last they were not called in to carry out a survey.

I shall be glad, therefore, if you will let me know when it is intended to have the ship drydocked so that instructions can be sent to the Surveyors concerned.

Yours faithfully,

Assistant Clerk to the
Classification Committee.
