Dear Sir,

Steamer " MINTRIC "

With reference to your letter of the 18th instant we have to inform you that we were not informed of the drydocking of the above vessel and she has consequently not been under our Survey.

We contacted the Agents today and were informed that the vessel entered drydock on the 24th October 1957 and undocked the next day and that they had no instructions to call us in for a Survey. They added that the Owner was in Antwerp at the time of the drydocking.

Yours faithfully,

The Surveyors,
