Dear Sir,

s.s. "WILLIAM HOMAN".

ask

With reference to your letter of the 21st instant we have pleasure in returning herewith your file of correspondence on the subject of "Jeep" vessels, which has been of much value to us in connection with the above ship.

We think you will be interested to learn that the Ministry have now insisted on the work being put out for Tender and in these circumstances we are not yet in a position to state at which port the survey will be dealt with.

We are retaining the reports and plans of the "WILLIAM BURSLEY" until such time as the matter is settled, and will of course return these documents immediately in the event of the vessel proceeding elsewhere for survey.

Yours faithfully,
The Surveyors,
