Dear Sir,

Motor Trawler "MILFORD KNIGHT".

In reply to your classing letter of the 22nd instant regarding the above vessel, I have taken the matter up with the Owners. They state that the Builders' Representative is coming to Milford Haven in the near future for the fitting of an automatic voltage control connected to the main engine speed control wheel.

They will inform me when the Builders' Representative will be attending the vessel so that I can be present at time of work being carried out.

Yours faithfully,

J. Hemmings

The Secretary,
LONDON.
