

"MILFORD KNIGHT"

Before this case receives consideration, IT IS SUBMITTED
The Milford Haven Surveyor be referred to the letter sent to
him on 2. 10. 50 from Hull Office regarding the fitting of an
automatic voltage control connected to the main engine speed
control wheel, and be asked whether this has been done and
tested, since it is observed the vessel has been under survey
for other purposes.

End.

14. 12. 50.
