BOARD OF MANAGEMENT FOR THE PORT OF RANGOON.

I.F. 48/MA.

30th October 1959

The Surveyor To Lloyd's Register,
C/O Zenith Corporation,
112-31st Street, Rangoon.

Dear Sir,

Subject : Zinyaw (No.36852 in Register Book)

The above vessel built for carrying passengers in Rangoon Harbour is required to be registered with the Government of Burma under the class Inland Passenger vessel and had to be surveyed by the Government surveyors annually. In order to avoid double survey of the same nature, one by Lloyds and one by the Government at the same time, it is decided to withdraw her class with the Lloyds.

Under the circumstances I have to request the withdrawal of class in respect of the above vessel.

The other vessels, Steam Dredger Cormorant, Steam Tug Nathamee, Sea going Survey Launch Maykhalar, other vessels classed with Lloyds will also be withdrawn and Burma Government Load Line will be requested, subject to the decision of the Owners-Board of Management for the Port of Rangoon.

Yours faithfully,

Maung Aung
