RANGOON.

2068 - As recommended.

"ZINYAW" - Built by Christof Ruthof for Board of Management for the Port of Rangoon.

The report of the survey of this ship during construction has been received from the Society's Surveyors at Koln, but assignment of class has been withheld pending receipt of a report of the satisfactory condition of the vessel on arrival at Rangoon. I shall be glad if you will make arrangements for this inspection to be held and furnish your Rpt. 8 in this respect as soon as possible thereafter.
