ENCLOSURE

15th November, 1928.

Dear Sirs,

M. With reference to the survey for Classification proposed to be carried out at your port on the s.s. "ARGUS", I shall be glad if you will arrange for plans of midship section, profile and decks to be forwarded to this Office in order that it may be seen if the vessel is eligible for classification.

In a letter received here on the 10th instant from Messrs. Siebert & Co., of Hamburg, the Owners' Agents, enclosing plans of the machinery of the vessel, it was stated that a plan of midship section would be forwarded direct to this Office by Messrs. Furness Shipping & Agency Co. Ltd.

I may point out that the plan of midship section, forwarded with your letter of the 14th instant, does not contain sufficient detail to enable an examination of the case to be made, as it only shows particulars of the riveting and not the scantlings.

For your information I think it well to enclose a copy of a letter which has been received from the Owners of this vessel.

The Surveyors,

AMSTERDAM.

I am, Dear Sirs,  
Yours faithfully,

014604-014618-0372

Secretary.
