21st September, 1917.

Dear Sir,

I am in receipt of your letter of the 20th instant respecting the midship section and longitudinal plans of the Steamer "BOXOL".

With regard thereto I have to say that there is no trace whatever of these plans having reached this office although, as pointed out by you, they were advised on the freeboard report, and as they were not available the case was dealt with by referring to the report on the sister vessel "BIRCHOL".

I am, Dear Sir,

Yours faithfully,

Secretary.

The Secretary,  
GLASGOW.
