Sir,

I beg to acknowledge the receipt of your letter of yesterday's date in regard to the midship section and longitudinal plans of the Steamer "BOXOL" and note what you say. I have had careful enquiry and search made here, but it would appear that the plans in question were forwarded along with the freeboard report, and you will find that a note of the fact was made at the foot of the freeboard report.

In these circumstances, I shall be glad if you will kindly cause further search to be made in case they may still be in your office.

I am, Sir,

Your obedient servant,

*J. L. Warlow*

Secretary to the  
Glasgow Committee.
