Leadenhall Street, LONDON E.C.3.

18th March 1949.

Dear Sir,

"BALANTIA"

We thank you for your letter of the 15th March, reminding us that the
above vessel's current load line certificate will expire on May 6th next, and giving
us a list of the items remaining outstanding to complete the special survey.

"BALANTIA" is expected to arrive at London about 27th April next, and it
is our intention, provided labour is available, that the special survey will be
completed during her forthcoming stay at that port.

When the new load line certificate is issued we shall be obliged if you
will, as customary, make it out in triplicate, so that we may have a copy for
our office records.

Yours faithfully,
ROYAL MAIL LINES LIMITED.
