Dear Sirs,

Reverting to previous correspondence respecting the Steamer "JALARASHMI", I have to acquaint you that the Committee have had before them the report of the survey carried out at Bombay last month, from which it is noted this vessel has been generally examined in drydock.

As a result of this inspection, I have pleasure in informing you that the Committee have confirmed their approval of your proposal to postpone the Special Survey until January, 1954.

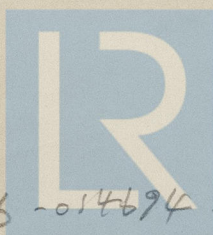

A fresh record of Drydocking 1,53 has been assigned at this time.

I take this opportunity to remind you that the vessel's class is subject to 30 fathoms of chain cable being supplied at the earliest opportunity.

Yours faithfully,

Assistant Clerk to the
Classification Committee.
