Dear Sir,

Reference

"MONTROSE" Sunderland F.E. Rpt.No.A38.

We have to acknowledge receipt of your classing letter of 23rd June, and would confirm that the pumping arrangements are such as would entitle the vessel to have the notation "Carrying Vegetable Oil in Midship Deep Tanks", and regret this information was omitted from our Rpt. 4b.

Yours faithfully,

THE SURVEYORS,

PER:

F. Wilson

The Secretary,
LONDON.
