Dear Sirs,

LERRYN and LANTYAN
Loadline Assignment

With reference to your enquiry dated the 4th instant relating to the above matter, I shall be obliged if you will, for the purpose of your records, accept an explanation that in transferring the Loadline Assignment from Lloyd's to Bureau Veritas, we are pursuing a precedent established in 1951, when the Commissioners' new Barge "MIXTOW" was launched.

Yours faithfully,

R. Mitchell

Harbour Master &
Superintendent of Works.

Commissioners, one
of them may be one of my
