Dear Sir,

In reply to London letter of the 1st inst. with reference to dredger "LADY COMBE", I beg to forward herewith (1) a sketch of vessel shewing preparation made for voyage and (2) plan of aft end of shade deck from which it will be observed:-

1. The extent of bulwark aft.
2. The extent of shade deck level with the top of casing and nature and spacing of supports to this deck.
3. The position and construction of the doors in the casing leading to steering engine platform.
4. The position and construction of the doors in casing leading to the stokehold.

I am, Dear Sir,

Yours faithfully,

M. Macleod.

The Secretary,

GLASGOW.
