Dear Sir,

Thank you for your letter of the 22nd January reporting again on the steamer "ALIWAL" and on your further discussion with Dr. Solda.

We note that the Owners have decided to class this ship with the Registro Italiano and are to carry out a full Classification Survey at Durban.

We do not think there is any useful purpose served by discussing the case with Dr. Solda again, although you can let him know how much we appreciated his attitude in the matter. Each time that we have brought an unsatisfactory case to his notice he has not failed to take the right view.

Yours faithfully,

W.J.R.

Chief Executive.

J.A. Mavor, Esq., O.B.E.,

GENOA.
