Dear Mr. Trott,

The Chairman has asked me to let you have copies of memoranda which were drawn up on two cases of South African ships which aroused a great deal of interest here a while back.

Sir Ronald asked me to add that he does not want you to take any action about them. He thought it would be as well to let you know about them in case they were mentioned to you during your trip.

I hope you have a pleasant voyage.

Yours sincerely,

P.E.C.
