Dear Sirs,

I have to acquaint you that a copy of your letter to the Cape Town Surveyor dated the 26th ultimo respecting the Special Survey of the steamer "HOEVELD", has been forwarded to this Office by the Senior Surveyor in South Africa, stationed at Durban, and with regard thereto I have to inform you that the case has been fully investigated in this Office and in view of all the circumstances the Committee must insist that the Special Survey be carried out at its due date, i.e. June next, if the vessel is to retain her Class.

I shall therefore be glad to learn that you will arrange accordingly.

Yours faithfully,

Come to C.T. & Durban

Clerk to the
