

COPY OF AIR LETTER

14th October, 1949.

Ref: H & F

Dear Sir,

"HOEVELD"

I am in receipt of your letter of the 5th instant, and in reply I have to inform you that the Committee consider the Annual Load Line and Classification Survey of this vessel must be held on her arrival at Durban, where it is noted she is expected to arrive about the end of the present month or beginning of next month. I shall be glad if you will inform the Owners accordingly, and advise me should the vessel leave Durban without being submitted to survey.

It is concluded that the submission of the vessel to Annual Survey will afford the Owners a suitable opportunity have the Boiler Survey carried out.

Yours faithfully,

Clerk to the
Classification Committee.

A. H. Boyle, Esq.,
DURBAN.
