

COPY OF AIR LETTER

14th September, 1949.

Reference: H & F

Dear Sir,

"HOEVELD"

Reverting to my letter of the 27th May last addressed to the Owners of this vessel, I shall be glad to learn whether the Annual Load Line Survey and Annual Survey for Classification have yet been carried out. If not, I have to request that you will furnish me with any information you may be able to obtain on the subject, and I think it well to point out that the period of grace allowed for the completion of the Annual Load Line Survey will expire on the 20th instant.

At the same time I shall be glad to learn what arrangements the Owners propose making to submit the boilers to the survey which became due at the end of July last.

Yours faithfully,

Clerk to the  
Classification Committee.

A. H. Boyle, Esq.,  
DURBAN.
