P.O. Box 270,  
Colombo.

10th November, 1948.

Dear Sir,

Since the exchange of the recent cablegrams regarding the VIC lighters at Trincomalee, I have to advise you that nothing further has accrued in the matter.

The contents of your cablegram were made known to the Owner's Representative who proceeds to Trincomalee to make the necessary arrangements but, up to the moment, no further advice has been received from him.

I am, dear Sir,

Yours faithfully,

The Secretary,  
LONDON.
