Dear Sirs,

RE: VIC LIGHTERS 22,74,83 AND 92

The above Lighters now lying at Trincomalee (Ceylon) have been purchased by our friends here, and we write to-day to enquire as they have been constructed under your supervision between 1942 and 1946 in the United Kingdom, if your Society will accept these vessels for a Loadline Certificate for Indian Coastal Trading.

We would also appreciate to hear from you whether any alterations are necessary to put them into your Class.

Thanking you,

Yours faithfully,
