

MEMORANDUM

31 MAR 1950

(Ref. H.)

LOYD'S REGISTER OF SHIPPING, 71, FENCHURCH STREET,
LONDON, E.C.3.

Surveyor(s) at HONG KONG.

Date: 26th January, 1950.

Name: Hopper Dredger "CHIEN SHE".

QUESTION.

ANSWER.

I shall be glad if you will
ascertain from the Owners and
let me know what arrangements
they propose making to carry
out the Screwshaft Survey,
which became due at the end
of October last.

You will observe that the
Boiler Survey will become due
at the end of the present
month.

LRP

Date:— 16th March, 1950.

We have written the Owners at
Shanghai but doubt whether a reply
will be forthcoming. Up to the time
of closing down the Shanghai Office
last May the Dredger was laid up in
Shanghai and had been in this state
since her Special Survey in July 1947;
& the Boilers likewise had never been
in use since that time, as indicated
in correspondence between the Shanghai
& London Offices, concerning the
Boiler Survey held in January 1949.
The Owners at that time could not
afford to drydock the vessel.
