Survey Due Special Survey No.1 due 2,39.

In March 1939 the Owners stated that this vessel had been seized by the Japanese in November 1937, and had been laid up in harbour since that time. In the circumstances the Committee deferred consideration of the case for the time being.

The Shanghai Surveyors now state the vessel has just been handed back to the Owners, and will be submitted to Survey within the next month or so.

Submitted action might be deferred for a short time
