Gmach Zegluga Polska S.A.,

Gdynia, 8th March 1935

Dear Sir,

With reference to your letter of the 6th instant respecting the First Entry Report No.1370 on the dredger " CHIEN SHE ", I have to acquaint you that the Survey on the Electric Light Installation of this vessel was carried out entirely by Mr. F. Schnell, who is now at Düsseldorf. As the Report was not forthcoming Mr. Schnell's attention has already been drawn to the matter and he promised to complete and forward the Report to you at the earliest possible moment.

I have again communicated with Mr. Schnell to-day and trust that he will make the necessary arrangements without further delay.

I am, Dear Sir,

Yours faithfully,

James C. Dykes

The Secretary,
