A PERIODICAL SPECIAL SURVEY (A) became due 8.48.

A much overdue report <sup>(11.48)</sup> has now been received from the AMSTERDAM Surveyors from which it is seen the vessel was placed in dry dock, bottom examined and found in good condition.

It is stated that the ownership has now changed.

The main engine has been shifted three frame spaces aft.

The vessel is now laid up, and deckhouses and engine casings partly dismantled. It is stated the Special Survey will be carried out prior to the vessel being placed in service.

IF IS SUBMITTED a record of docking 11.48 be assigned and the notation "Laid up pending Survey" be inserted in the Register Book.
