by Chief Engineer Surveyor.....

Received from Chief Engineer Surveyor.....

VESSEL'S NAME "COIMBRA" REPORT Ams. No. 17134

Remarks of the Chief Engineer Surveyor are desired on this case for the consideration of the Classing Committee.

("The endorsement to contain a succinct summary of any repairs that have been required and to show the cause or causes of such repairs, and also to bring out clearly any exceptional features in connection with the case, so that the Classing Committee may have all the salient points presented in the endorsement."—Extract from Sub-Committee's Report, 24/5/92.)

Survey ~~REPAIRS TO ENGINES AND BOILERS DUE TO DAMAGE THROUGH~~

The Special Survey became due in 8.48. The main boiler has now been turned round and fitted in another position, also the main engine has been fitted in a new position. The vessel is at present laid up and it is stated the Special Survey will be carried out before the vessel is recommissioned.

IT IS SUBMITTED action be deferred.
