

R.F.A. "OLNA"  
-----

It has been ascertained from the Admiralty that this vessel, now under the management of the Department of Stores, is refitting at Eldersley Dry Dock, Glasgow. It is understood that the excrescences welded to the edge of the sheerstrake when the vessel was completing have not yet been removed, but that the Department of Stores have the matter in hand.

It is submitted the Glasgow Surveyors' attention be drawn to this matter for their information.
