

Ship's name: *AKI MARU.*

This ship is to be classed 100A1:
freeboard is a condition of class.

Freeboards have been assigned by the
Japanese. Authorities and as they
correspond with the draught for which the
scantlings have been approved can be
recommended for approval by the Committee.

It is therefore submitted the following
records be posted in the Register Book:

Moulded depth	-	<i>34'-5"</i>
Summer freeboard	-	<i>6'-11$\frac{1}{2}$"</i>
Corresponding draught	-	<i>27'-7$\frac{1}{4}$"</i>
		<i>AR 3.8.54</i>
