9th September, 1947.

Dear Sir,

H
I enclose London Report No.115502 on the steamer "SAMMONT" and have to acquaint you I am informed by the Owners' Superintendent that the vessel is now at Ipswich, where it is intended to advance the classification survey as far as possible before she proceeds to Leith. Some parts of the machinery will be available for examination on Thursday the 11th instant and I shall be glad therefore if you will give the case the necessary attention.

I think it well to draw your attention to the terms of Circular No.1871 in connection with this case.

Yours faithfully,

Clerk to the
Classification Committee.

H. Y. Bell Esq.,
IPSWICH.
