Dear Sir,

s.s. "SUDBURY HILL"

Further to our letter of the 10th ultimo in respect of yours of the 8th ultimo, relative to items noted in the Society's Alexandria Report of Surveys aboard the above named vessel still outstanding.

We enclose herewith copy of a letter received from the Master at the Port of Trincomalee, Ceylon, relative to the difficulty experienced in having these items examined at its present location and also having the boilers surveyed, despite the fact that two boilers were prepared and made available for survey at that port, and await your comments in due course.

Yours faithfully,
