Lloyds Surveys.

Dear Sirs,

With reference to the above, I wish to report that Lloyd's Surveyor at Colombo, Mr. Borkett, was approached through Company's Agents with regard to further deferment following Temporary Certificated issued in Alexandria, but that as Trincomalee is not rated as a Survey port, he was unable to conduct required surveys, or Boiler Survey, now due.

It is understood he has been in touch with Company and his principals on this matter and that Certificates will be suitably extended until repairs can be done and surveyed.

Yours faithfully,

Master.
